

POW!

THIS LOOKS LIKE A JOB FOR...

ARTGIRL

WHOOSH!

Protecting the nation from bad design & poor type choices everywhere!

★ SUPER POWERS

Inventive, experiential, artistic, intuitive, seasoned, imaginative, accomplished, resourceful and efficacious. (BIG WORD)

★ ARTGIRL DESIGNS

A successful graphic art company with experience in concept development, original design work, design production, art direction, printing, prepress, photography/image banks, project management, and Social Media SuperHero-Facebook page maintenance. POW!

★ STUPENDOUS TRIUMPHS

Concept development of design projects from start to finish. Create original ideas for client concepts using image strategies. BA-BOOM!

★ MIGHTY MORTAL MANAGEMENT

Established broad client base from a wide variety of industries. Thorough design project management, including creation of original design concepts, graphic design/layout, pre-press set up, printing supervision, overall budget management, and liaison with photography/image banks. WOW!

★ ADVENTUROUS ART DIRECTION

Act as creative director and graphics consultant for several corporate retainer clients. Directly responsible for portfolio review, hiring/managing outside service artists, service bureau interaction, budget tracking and analysis, printing supervision, onsite press checks, locating appropriate stock photographs, and directing photo shoots. BAM!

★ XRAY FILM AND PRINTING

Expertise managing pre-press services: electronic output, film, color separations/corrections, digital proofs, and direct to plate printing. Experienced in printing 1 to 4 color process elements and digital print. WHOOSH!

★ CRIME-FIGHTING GADGETS

Apple-based graphic design using a Mac Pro Tower, 2 giant Apple Cinema displays, DSL, Scanner, DVD Burner, FTP site, color printer. ipad, iphone, ipod. Highly skilled in Photoshop, Illustrator, Indesign, Quark and all the rest...except MS Word, yuk. POW!
